COMMERCIAL SPACE

Surface solutions for high-performance environments.
From cultural landmarks to mixed-use developments, Mont Surfaces delivers premium materials, technical expertise, and dependable execution—at commercial scale.

mont®

WHO WE ARE

Built for the Way Commercial Projects Work

Mont Surfaces is a family-owned, wholesale supplier of premium surface materials serving commercial, hospitality, multifamily, and civic projects across the Midwest.

Although we do not fabricate, we partner with architects, developers, builders and fabricators to simplify material selection, accelerate timelines, and deliver surfaces that perform as beautifully as they look.

With extensive in-stock inventory, global sourcing, and dedicated commercial support, Mont brings clarity and confidence to every phase of your project.

PRODUCT CAPABILITIES

Materials Selected for Performance and Design Impact

- Granite & Marble
- Quartzite & Semi-Precious Stone
- Engineered Quartz
- Porcelain Panels & Pavers

Our inventory balances durability, sustainability, and design flexibility—meeting the demands of high-traffic, high-visibility spaces.

CORPORATE & CULTURAL PROJECTS

Trusted Across Civic, Hospitality, and Mixed-Use Environments

Mont Surfaces is proud to collaborate on projects that define cities and communities, partnering with organizations such as:

- Cleveland Clinic Global Peak Performance Cente
- Playhouse Square
- The City Club of Cleveland
- Columbus Association for the Performing Arts (CAPA)

These environments demand precision, durability, and thoughtful material selection—and that's where

Commercial

COMMERCIAL EXPERTISE

Trusted Support from Specification to Installation

- Large-format slabs and cut-to-size solutions
- Competitive, transparent commercial pricing
- Reliable lead times and logistics coordination
- Technical guidance for complex applications
- Mont Synthesis® porcelain wall systems

We understand the realities of commercial construction—and we work accordingly.

PROVEN PARTNERSHIPS

Experience You Can Build On

"Mont Surfaces was up to the task—matching historic stone, providing samples quickly, and delivering on time from overseas without issue."

"We use this project as a showroom for future developments. Mont was top-notch from day one."

"Whenever I need striking product with cost-effective guidance, Mont is my first call."
