About Mont Surfaces

Mont Surfaces is a family-owned wholesale supplier of premium surface materials, proudly serving the industry since 1988. Founded in Cleveland, Ohio, with a vision to make granite accessible to every home, Mont has grown to serve eight Midwest markets and has become a trusted source for hundreds of selections in natural stone, engineered quartz, porcelain, semi-precious stone, Mont Synthesis and porcelain pavers.

From timeless marble and durable granite to innovative porcelain and quartz, every material is carefully chosen for its beauty, quality, and performance in both residential and commercial spaces. Our team partners with consumers, designers, and industry professionals to find the perfect surface—combining quality, service, and innovation to create truly inspired spaces.
