Cleveland, OH, USA, January 24, 2019 – Mont Surfaces with 8 locations throughout the Midwest has won “Best of Customer Service on [Houzz](#)®, the leading platform for home renovation and design. The supplier of fine surface materials in natural stone, large-format porcelain and engineered quartz was chosen by the more than 40 million monthly unique users that comprise the Houzz community from among more than 2.1 million active home building, remodeling and design industry professionals.

The Best of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2018. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best of Houzz 2019” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“Best of Houzz is very meaningful because it is awarded by our eight communities of homeowners who are in the design, building and remodeling process as well as through the home design, building and remodeling professionals in our markets,” said Dinesh Bafna, President of Mont Surfaces.
